DECEMBER 2015

Merry Christmas from our family to yours!

Thank you for your business! We want to wish you and your family a Merry Christmas and a Happy New Year!

Martins Message: This is a busy time of the year with business and family commitments, but also a time to reflect on the past year. Here at Oregon Flowers, Inc., we constantly try to improve on how to grow top quality flowers and try to find the best varieties for our customers. However, our biggest challenge is timing the flowers to be available at just the right time.

This year we installed a steam sterilization system to sterilize the potting soil. It is, in my opinion, the "clean" and envi-

ronmentally best way to protect our crops against insects and diseases.

In September, I was elected President of the Society of American Florists. It is an honor to represent the many great people in the floral industry and a privilege to interact with all the different segments of the industry.

To our customers, suppliers, and employees - Thank you, Merry Christmas, and have a Happy and Healthy 2016.
