

WHAT'S NEW AT OREGON FLOWERS?

SPECIAL POINTS OF INTEREST:

KEEP IN MIND:

COMING SOON:

**Viburnum:** The gorgeous crimson colored berries of the Viburnum Berry, with its contrasting green foliage, makes a vibrant and bold statement. Viburnum berries will be available mid July!

**Hops:** These 16' vines are an attention grabber. Although they are mostly known for brewing beer, they are making quite a statement in the floral industry. The strands of hops will be available at the end of July!

JULY 2012

# Mini Callas

Our beautiful mini calla lilies are in full force! From the majestic white to the playful yellow, and many colors in between, the mini calla lily is quite the show stopper. These amazing flowers add texture and showcase a spectrum of hues that compliment any color scheme.

The long-lasting, sturdy blooms of the mini calla lily are available in black, yellow, red, pink, purple, white and mango.

**How to care:** Once you receive your shipment, unpack your callas immediately, it is possible that they may appear limp— this is normal. Cut the stems at an angle and place them in about 1-2 inches of water. Be sure that they are in a thoroughly cleaned and rinsed container. Mini callas do not need a full vase of water and doing so may cause the stems to become soft. Mini

callas lilies are harvested and shipped fully open and do not require time to open.

**Pack:**

Mini Callas come 10 stems in a bunch. They are packed 15 or 25 bunches in a box.

**FLOWER OF THE MONTH:**

Similar to the famous Casablanca, the Crystal Blanca has large, pure white flowers and a very powerful stem. The Crystal Blanca has been a strong staple for us that is a tried and true performer. You can count on this beautiful lily year round!

# Martin's Message

Calla lilies have been a very well received product line, and we will keep expanding the varieties, as well as the availability. The current season is from May until October/ November. Our production is steady so ask us for specific colors and varieties, or we can

make up a box with a nice assortment. Give me a call if you have questions or comments about the calla lilies, or any other flower that we grow.

Enjoy the summer!

Martin

In the picture you see our Granddaughter, Kamari (1yr) helping me check out the calla lilies in the greenhouse.
