OREGON FLOWERS, INC.®
"Flowers grown with a Dutch touch"

VOLUME II, ISSUE VI

JUNE 2011

Looking for Height??

EREMURUS:

When it comes to being the tallest flower, the Eremurus stands far above the rest. Covered with many small star-like flowers that bloom from the bottom up, Eremurus offer a tall and voluminous statement.

Eremurus will be available in the beginning of June in pink, peach, white and yellow. As opposed to other cut flowers Eremurus produce 7' stems in the beginning of the season and

as the season progresses the six foot, five foot and eventually some four foot sizes will be available.

Packaging:

- 7' tall: 50 stems (single stems)
- 6' tall: 75 stems (stem stems)
- 5' tall: 100 stems (5 stem bunch)
- 4' tall: 125 stems (5 stem bunch)

Check out the latest issue of Flowers& for an article on Eremurus!

GIANT ALLIUM:

Grown for their dense cluster of flowers, which look like lolly-pops, the Giant Allium is grown to a height of about three to four feet. In full bloom, the head will measure 4-6" in diameter. The beautiful purple Allium will be available around the middle of June for shipping.

Allium can be used in its tallest form or cut down to make a big statement in a single vase. This foliage free flower is packed as a single stem with 60 stems in each box.

Mini Calla Lilies

From fairy-tale white to a joyful array of colors, mini calla lilies showcase a spectrum of hues

Ventura

that are truly remarkable. Mini calla lilies are energetic and attention-grabbing blooms that make

a statement with their simplicity. At first glance the unique and entrancing, mini callas are dramatic and playful.

These long-lasting, sturdy blooms are available in black,

Safari

yellow, pink, purple, white and orange/yellow. Mini Callas come in 10 stem bunches and are available now!
