## Pumpkin Rose Hips

### Pumpkin Rose Hips are now available!

The Rose Hips' vibrant pumpkin seed pods provide a beautiful and ornamental look for the Fall. These bright and beautiful branches will be a nice reminder that fall is here!

Pumpkin Rose Hips. These amazing Pumpkin Rose Hips come from a large pink rose

Since 2004, we have been working on providing beautiful Rose Hips. This year we are offering

that blooms in the summer. Once the rose sheds its petals, the hips begin to develop. In the Fall, the Pumpkin Rose Hips have a thick, thorny stem with large orange colored hips on the top.

## Ilex

A wonderful Fall product, the red Ilex is available this year in a few weeks. We are currently in the process of forcing the leaves off the stems. Once the leaves fall off, the beautiful red berries are visible. Please place your orders now for this beau-

**PACK:** Gold and red Ilex are bunched in 5 stems and packed 12 bunches in a box.

tiful and unique product.

A stunning bunch in a vase, they stand about two and a half to three feet tall. This is a highly requested product and will go fast!

## Oregon Flowers Intern: Thank you!

Oregon Flowers, Inc. would like to thank Rick van der Berg, a 19 year old intern from Holland, for his hard work and positive attitude during his time in Aurora. Rick comes from a long history of lily bulb business is well known for

growing consistent quality of Mambo in Holland and Chile. During his 9 week internship, Rick helped plant bulbs, cut lilies, and pack orders as well as create an efficient system of removing the lily bulbs from peat moss which is currently being implemented on the Or-

regon Flowers, Inc. planting line. Thank you Rick for your hard work. We wish you continued success in the bulb industry.
